Thesis Topic: __________________________________________

_____________________________________________________

Degree (circle one): MS or PhD

Estimated Completion Date: ________________________________

Signatures:_____________________________________________/_______________

Student Date

_____________________________________________/_______________

Thesis Advisor Date

The purpose of this form is to inform the departmental graduate program director with whom the student named above intends to perform their MS or PhD thesis research. In no way does this form constitute a contract between student and thesis advisor. If, for whatever reason, it becomes necessary to change thesis advisors, the student is requested to complete a new form. Completed forms should be returned to the departmental graduate program director.
